# Belle Drafting Chair

## Specifications

### Features

- Belle Drafting Chair boasts a minimalist and visually pleasing design suitable for modern office environments.
- Featuring a drafting kit base, it provides versatility for tasks that require elevated seating, such as drawing or drafting.
- Choose from various frame and mesh colour options to match your office decor.
- Designed with lumbar support, multi-position tilt, tension control, and an upright lock, it prioritises ergonomic comfort.
- The chair's fire-retardant full mesh skin not only looks sophisticated but also prioritises safety.
- Its polished 4-star aluminium base ensures stability and durability even at elevated heights.
- Belle Drafting Chair allows for easy and personalised adjustment to find the perfect seating position.
- Available in 5-star castors base for easy movement within your workspace.
