## Overview

The AF series is the the ideal ergonomic and space saving desk mount monitor arm. Its elegant design and polished aluminium finish adds style and functionality. With a broad range of movement from the pivot points on the arm and height adjustability, it creates a workspace customisable for the user.

### Dynamic movement

Smooth, dynamic movement through patented Flo Spring Technology. 3 pivot point design for extended reach and 360° rotation around pole.

### Cable management

The Flo monitor arm includes an integrated three-point cable management system, that neatly tucks away any monitor leads.
