

**Features:**

The 60x30 fixed height workstation range by AWM is a contemporary extension of our classic Delta Workstation range. The classic A-leg profile is available in single, back-to-back, 90 degree, and 120 degree workstation configurations; the 60x30 offers a refined alternative for fixed height workstations.

The 60x30 range is compatible with AWM's full range of workstation screens, accessories and power & data offerings. Manufactured and assembled in our Sydney factory, guaranteeing the highest standards of quality, functionality and sustainability.
