

Belle.

True to its name, Belle is a beautifully designed chair created from an attractive single shell and full mesh skin. Versatile and compact, Belle adds finesse to any meeting space.

Upholstery

Fire retardant K&R mesh is a seamless enhancement to Belle's one-piece frame. Select from a black frame with grey mesh or a grey frame with black or grey mesh. The polished 5-star aluminium base is standard.

Ergonomics

Belle is minimalist in look, but maximal on comfort and wellbeing with a BIFMA certification. Its ergonomic features include lumbar support, multi position tilt, tension control and a contemporary Synchro Mechanism with an upright lock.

Adjustments

Belle's sophisticated simplicity extends to its easy adjustments via a stylish handle hidden within the lines of the chair.
