# PROVINCE

The Province Workstation offers a unique solid-timber base solution, showcasing refined joinery for both robustness and elegance. Its seamless integration of power and data solutions, concealed within the timber frame, creates a clutter-free appearance, while customisable options and a diverse range of accessories ensures it meets every requirement with precision and sustainability.

# PROUDLY AUSTRALIAN

At AWM Amaroo, our pride and passion drive our dedication to Australian manufacturing. From our design process to final production, we ensure that every product is crafted with 100% Aussie-born quality.

As a locally-based company, we are committed to delivering bespoke products that reflect the excellence of Australian craftsmanship.

Province integrated power and data reticulation  
Goodman, Hayesberry

Integrated power and data reticulation, seamlessly concealed within a matching solid timber shroud and framed structure, delivers a clutter-free appearance that enhances the workstation's elegance. This thoughtful approach ensures that your workplace not only exudes warmth and character but also stands as a symbol of streamlined, modern design, where technology seamlessly blends with aesthetics for a truly inviting and organised workspace.
