Arico Black with Polished Aluminium Frame

Arico Dark Brown with Polish Aluminium Frame

# ARICO

Arico, a 2021 Reddot Product Design winner, seamlessly blends comfort and style with its leather-upholstered seat and innovative cable-guided mechanism, available in black, brown, and three additional colors. Its user-friendly design allows for easy adjustment of the backrest tilt angle while built-in springs minimize back-thrust, making it perfect for executive or meeting room seating.

## Frame Finishes

Arico boasts a simplified construction of the spring system that allows the cable-guided mechanism to be integrated into the alluminium alloy armrest, eliminating clunky levers without sacrificing functionality. The tilt angle of the backrest can be easily adjusted thanks to its user-friendly design. Inbuilt springs reduce back-thrust when the tilt angle is reset.
