DRUM + BASE LINEAR

The Drum+Base Linear workstation seamlessly integrate the renowned Drum+Base system into open-plan spaces, offering exceptional quality and design flexibility. It comes in two configurations: a linear cluster or a standalone workstation, with integrated power and data reticulation for a clean appearance. Compatible with various power and data modules and monitor arm options, it adapts easily to diverse workspace needs.

PROUDLY AUSTRALIAN

At AWM Amaroo, our pride and passion drive our dedication to Australian manufacturing. From our design process to final production, we ensure that every product is crafted with 100% Aussie-born quality.

As a locally-based company, we are committed to delivering bespoke products that reflect the excellence of Australian craftsmanship.

Linear Drum+Base
Finance Agency

The Drum+Base Linear workstation serves as the foundation for a multitude of customised workstation arrangements, allowing you to collaborate with our in-house design and production teams to tailor top profiles, sizes, and edge treatments to your specific requirements. Alternatively, you can combine it with a screen system like the Orio Booth Range for a truly bespoke workspace.
