DRUM + BASE

The Drum+Base range is a sophisticated and versatile table base system. With six base designs to choose from, it can be customised to suit a wide range of workplace settings, from breakout areas and focus rooms to executive boardrooms. Utilising our Good Design Award-winning Drum+Base system, the high-quality Australian rolled steel base and frame support AWM below-desk and above-desk power and data solutions. Height-adjustable options are also available, providing enhanced flexibility and adaptability for evolving workplace needs.

PROUDLY AUSTRALIAN

At AWM Amaroo, our pride and passion drive our dedication to Australian manufacturing. From our design process to final production, we ensure that every product is crafted with 100% Aussie-born quality.

As a locally-based company, we are committed to delivering bespoke products that reflect the excellence of Australian craftsmanship.

Long Drum+Base Bench
White Fox / Rosebery

Photography: White Fox project by PMG Group - Strategic Workplace Design and Delivery Partner

Utilising our Good Design Award winning Drum+Base system, the quality Australian steel rolled base and frame support a range of project table configurations for touch-down and collaborative applications at both fixed height and electronic sit-to-stand.
