# MINIK 10

The MiniK 10 Digital Cam Lock offers a seamless blend of innovation and security, making it the ultimate choice for keyless and wireless electronic access to lockers. What sets the MiniK 10 apart is its remarkable compactness, making it the smallest digital electronic lock in the world. This feature allows it to be effortlessly integrated into lockers, cabinets, and drawers of all sizes, ensuring that your storage solutions remain sleek and unobtrusive while providing maximum convenience and peace of mind. Experience the future of locker security with the MiniK 10 Digital Cam Lock.

# PROUDLY AUSTRALIAN

At AWM Amaroo, our pride and passion drive our dedication to Australian manufacturing. From our design process to final production, we ensure that every product is crafted with 100% Aussie-born quality.

As a locally-based company, we are committed to delivering bespoke products that reflect the excellence of Australian craftsmanship.
