ELEVATE DUAL MONITOR ARM

Transform your workspace with the Elevate Dual Dynamic Monitor Arm. Say goodbye to neck strain and poor posture as you effortlessly position your screen for optimal viewing. Elevate’s advanced mechanical spring provides exceptionally smooth and stable movement, allowing you to glide your monitor into the perfect position with just a touch. Experience a more comfortable and productive workday. Elevate isn’t just a monitor arm; it’s an investment in your well-being and efficiency.

PROUDLY AUSTRALIAN

At AWM Amaroo, our pride and passion drive our dedication to Australian manufacturing. From our design process to final production, we ensure that every product is crafted with 100% Aussie-born quality.

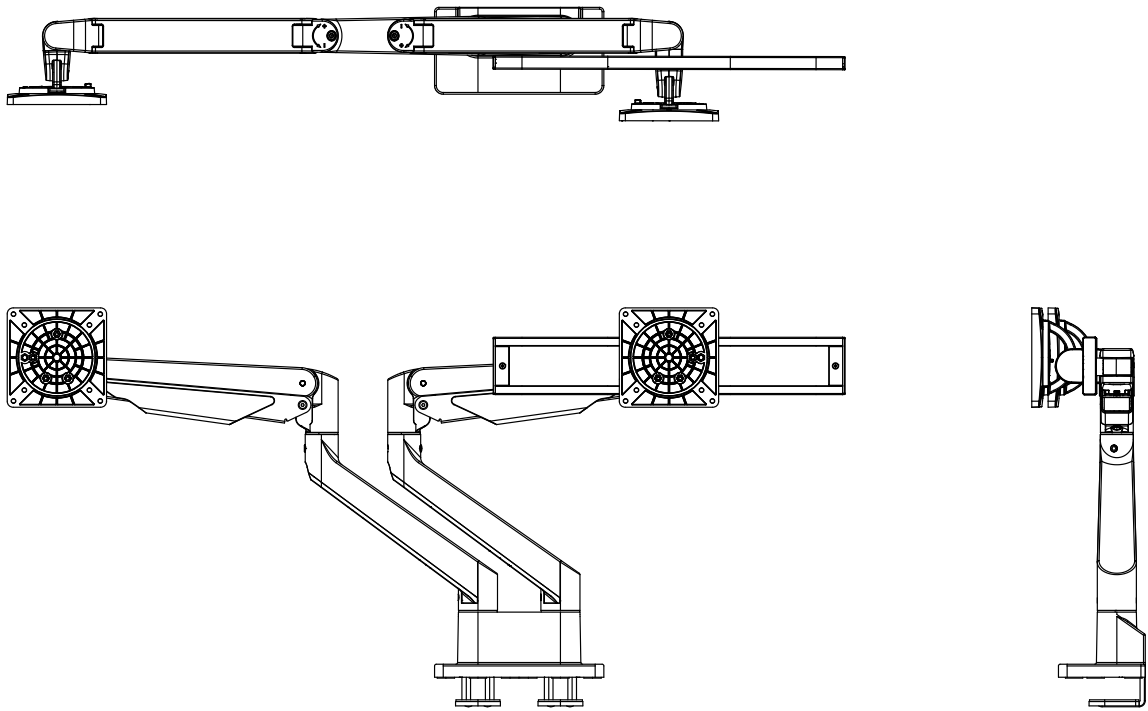

As a locally-based company, we are committed to delivering bespoke products that reflect the excellence of Australian craftsmanship.

SPECIFICATIONS

Crafted from premium aluminium, its robust construction supports a wide range of monitors, from 2 to 10 kg and up to 32” in size. The sleek black finish and concise design add a touch of modern sophistication to any desk setup, decluttering your space and enhancing your focus. Installation is simple and secure thanks to the top-locking base assembly. The versatile multi-function VESA head with sliding bar ensures even monitors of different sizes can be readily and seamlessly aligned.
