DENVER

The Denver auditorium seating is a refined, space-efficient flip-up seat designed for courtrooms, public galleries and other fixed-seating environments.

Its compact footprint helps maintain clear aisles and maximise available floor space, while the upholstered seat and back provide comfort throughout longer sessions. Timber outer panels and armrests bring warmth to the design, complemented by a robust black steel frame and floor-mounted pedestal for a clean, architectural finish.

PROUDLY AUSTRALIAN

At AWM Amaroo, our pride and passion drive our dedication to Australian manufacturing. From our design process to final production, we ensure that every product is crafted with 100% Aussie-born quality.

As a locally-based company, we are committed to delivering bespoke products that reflect the excellence of Australian craftsmanship.
